PROFESSIONAL EXPERIENCE

UX Design Intern, **Lucidity**, Ann Arbor, MI

June 2026 - August 2026

- Created a design library to give an AI reporting tool a reusable visual design system.
- Evaluated template formats for AI compatibility and built a system that lets non-designers select a style and receive professional reports automatically.
- Researched data visualization and layout design principles to create 14 distinct style directions for an LLM to reference.

Graphic Designer, **Pica Marketing Group**, Dearborn, MI

September 2024 - April 2025

- Designed user-centered visual assets for print and digital campaigns, aligning brand strategy with user needs.
- Applied user insights and accessibility principles to improve clarity and effectiveness of design deliverables.
- Organized and executed an outreach initiative, generating 100+ potential client leads within the construction industry.

Video Editor/Photographer, **ArtsEngine**, Ann Arbor, MI

May 2023 - May 2024

- Produced and edited multimedia content to support storytelling and audience engagement across digital platforms.
- Created photo and video assets for web and newsletter distribution using Adobe Creative Suite.

Media Manager, **University of Michigan Taekwondo Club**, Ann Arbor, MI

December 2020 - December 2023

- Produced promotional visuals such as ads, photos, and videos while maintaining the club website to promote interaction.
- Led content strategy and managed digital platforms to increase engagement and community participation.
- Designed and executed marketing campaigns, raising \$4,000+ per semester.

Digital Marketing Intern, **The Henry Ford**, Dearborn, MI

September 2019 - October 2019

- Created digital ads and email content in collaboration with Digital Marketing Designers to be sent to museum members.
- Designed animations and graphics to support campaign engagement.

PROJECT EXPERIENCE

UX Researcher, **Vizard.ai**, Ann Arbor, MI

January 2026 - April 2026

- Led a team conducting usability tests and heuristic evaluations to identify key friction points in Vizard's editing workflow.
- Synthesized findings into actionable recommendations to improve navigation, feedback systems, and AI feature clarity.

UX Researcher, **Mixel and Mott Design Jam**, Ann Arbor, MI

October 2025

- Partnered with Mixel Studio and Mott's Children's Hospital to brainstorm creative methods of engaging children in playful healing through the application of Augmented Reality.
- Presented final design solution to judges, earning 2nd place.

SKILLS

- Design Software: Figma, Figma Make, Adobe Illustrator, Adobe Photoshop, Canva, Claude Design
- UX Skills: HTML, CSS, AI tools, Wireframing, Prototyping, User Flows, Usability Testing
